PROFILE

Driven Software Engineering student at Comsats University Lahore, specializing in MERN stack development. Proficient in React, Node.js, Express, Tailwind CSS, Next.js, and Vite. Successfully developed and deployed web applications through self-initiated projects, demonstrating strong problem-solving skills and attention to detail. Known for diligence, hard work, and eagerness to learn, with a commitment to staying updated with industry trends

WORK EXPERIENCE

Freelance Frontend Development, Self-Employed
July 2021 – Present

Portfolio Website for Client:
Developed a responsive and visually appealing portfolio website using HTML, CSS, and JavaScript. Collaborated closely with the client to ensure the design met their requirements and showcased their work effectively.

Todo List WebApp:
Task management with add, edit, delete, and completion functionalities, real-time updates, user authentication, persistent data storage, responsive design, filter and search capabilities, due dates, and reminders.

Frontend Designs for Multiple Websites:
Created and implemented various website templates, demonstrating a deep understanding of CSS and responsive design principles. Each template showcased different design styles and layouts, highlighting versatility and creativity.

Frontend - YouTube and Threads Clone:
Developed frontend clones of popular platforms such as YouTube and Threads using HTML, CSS, and JavaScript. These projects showcased my ability to replicate complex user interfaces and enhance my skills in front-end development.

Web Application - Threads (Clone)
January 2024 – May 2024
Developed a Threads clone using MERN stack, Vite, Chakra UI, Recoil.js, Atom, and JWT authentication. Integrated MongoDB Atlas for database management and Express for routing.

EXTRA-CURRICULAR ACTIVITIES

Social Media Manager, Comsats Lahore Debating Society

MUARKA, CAPDC

Created and scheduled engaging content, including posts, stories, and event updates, to build anticipation and increase attendance. Monitored and responded to audience engagement promptly, fostering a sense of community and excitement around the event.
